MANOHAR.D. DESHMUKH ENG. MED.PRE-PRIMARY SECTION,  
MRS. NAMITA P. NAIK PRIMARY SCHOOL &  
ADV . NANDA DESHMUKH SECONDARY SCHOOL AND  
JUNIOR COLLEGE, ALIBAG**

Prior to 1976, the only English Medium School that existed in Alibag was the St. Mary's Convent School. Unfortunately, due to some reasons the school had to be shut down. With the deepest urge of not letting the students' education suffer, Konkan Education Society decided to start an English Medium School. Finally, in 1976 the English Medium School was started for the Jr. KG to std 7th classes. Initially due to some financial issues rupees 10,000/- were collected by the parents in 2 installments as development fund.

For few years the school functioned in the old building of Smt. Janakibai Raghunath Haldavnekar Kanyashala. The staff was appointed from the local surroundings which became a big economical help to several people. Gradually, the number of students increased and then the school was shifted in the building of Gen. Arunkumar Vaidya Madhyamik Vidyalaya (Industrial High School Building).

The year 1980 came with a revolution and on the request of the Hon. Collector Shri. Bhaskar Patil, classes for Std. 8th parallelly began in K.E.S. Gen. Arunkumar Vaidya Secondary School. Later, Classes upto Std. 10th came into force.

Miss. Bhagyashri Bhaskar Patil was the first student to appear SSC Board exams in 1981 from the school.

In the month of June 2002, the secondary section (Std. VIII to Std. X) were provided with the independent permission by the Deputy Director, Pune. The Secondary and Higher Secondary Divisional Board, Vashi also provided them with a separate Index number.

Under the guidance of the then Chairman, Secondary Section, Hon. Ajit Shah similarly Chairman, Primary Section, Hon. Adv. Nanda Deshmukh stern steps were taken for the development of the school. Since 2001, several developmental works took place which considerably increased the numbers of students in the school.

List of some remarkable things -:

- A separate administration office was started from August 2004 for English Medium.
- Well facilitated library and laboratory were set up for English Medium in 2004-05. In memory of Lt. P.L.Shah (Nana Bhai), the Shah family donated a separate water cooler for drinking water to the school.
- Hon. Prashant M.Naik, Mayor, Nagar Parishad, Alibag donated Rs. 1,00,000 for the Physics Laboratory on 17th July,2012 in memory of his father Hon. Lt. Madhusudan Naik.
- Shri. Jayantilal Ravji Shah donated Rs. 50,000 for the Biology Laboratory on 31st March,2012 in memory of his mother Lt. Smt. Diwaliben Ravji Shah.
- Four rooms were renovated of the western part of the building in 2007 and the classrooms were facilitated for use for the English Medium. A separate entrance was prepared on the western side of the building for English Medium.
- Teaching with the help of LCD projectors started from June 2005. Besides, separate LCD TV has been arranged for the pre-primary section. In the competitive period, where several schools have come into existence, our school has maintained its quality hence. The strength of students which was only 576 in 2001 has increased up to 2200 (approx) students in recent years.
- The uniforms of the entire institution were changed from June 1999.
- Jr. College for Science Stream began in the year 2008 marking a stepping stone in the journey of the institution. Similarly, the institution also started the Commerce Stream in the year 2010, with optional subjects IT and Maths for Science stream and Maths for Commerce.
