

KONKAN EDUCATION SOCIETY'S INDUBAI A. WAJEKAR ENGLISH MEDIUM SCHOOL, PANVEL

School History Since 1993....

With the vision of making quality education accessible to the masses, Hon. Late Shri. Datta Patil (Hon. Dada) established Konkan Education Society's English Medium School in Panvel in 1993 with just 21 students in Jr. K.G.

Initially the classes from Pre-Primary to Std. IV were conducted in K. V. Kanya Vidyalaya premise, and later for 2 years, school was shifted in V. K. High School. In June 1999 the school earned its identity, when Hon. Dada handed over an unused one storeyed building in the North-East corner of V. K. High school. First time the school name board was put up on the facade of the premise.

A) Building Construction:

To accommodate increasing strength, a new two storeyed building with 12 rooms was erected in 2005-06 with hard and tireless efforts of Chairman of school Hon. Adv. Pramod Thakur & Hon. Shri. V.C Mhatre and the then Head of Panvel K.E.S. Education Campus & Principal of V.K. Highschool Hon. Shri K. D. Mhatre.

Now this school building has bright, airy and spacious classrooms, well-equipped separate Physics, Chemistry and Biology Laboratories and a library stacked with a wide range of books on various subjects.

In 2011-12 one additional 3rd Floor was constructed on the same building to accommodate increasing number of students. This floor included 9 classes, 2 separate washrooms for boys and girls and a safe and

pure drinking water facility.

In 2013-14 another three storeyed building with 15 class rooms and a big hall was constructed specially for small kids. Facilities of separate washrooms for boys and girls, water coolers on each floor were provided. Classroom walls were decorated with educational pictures. This was an ideal building for the students of K.G. to Std. IV. Now the school has 2 buildings of its own with total 46 classes.
